

이제 영사이언스와 함께 세계 최고 수준의
Extractables/Leachables Testing
서비스를 만나 보실 수 있습니다.

Global Services

- GMP-compliant protocols and methods
- 20 highly qualified and skilled scientists
- Technology (LC/MS Q-TOF, GC/MS, LC/UV, ICP/OES, ICP/MS)
- Proprietary LC-MS database (1,600 non-volatile compounds),
Eurofins Extractables Index - EEI
- Unknown compounds identification capability
- Specialized internal team for toxicological assessment
- More than 140 analytical studies and 100 toxicological evaluations in 2017

Virus Safety Testing

Cell Line Characterization and Virus Clearance Study
Compliance with GLP/GMP and ISO 9001 : 2000

- ✓ Virus & Prion Clearance Studies
- ✓ Virus Safety Testing
- ✓ Cell-line Characterization & Cell Banking
- ✓ Quantitative PCR Assays
for specific viral contaminants
